Columbus, Ohio, March 2, 2020. Installed Building Products, Inc. (the "Company" or "IBP") (NYSE: IBP), an industry-leading installer of insulation and complementary building products, announced today the acquisition of Royals Commercial Services, Inc. ("Royals Commercial"). Founded in 1990, Royals Commercial is headquartered in Millersville, Maryland and provides spray foam insulation and thermal barrier installation services primarily for commercial customers throughout Maryland, Pennsylvania, Virginia, Delaware, and New Jersey.

"With approximately \$10 million of annual revenue, Royals Commercial expands our presence in the greater Baltimore and mid-Atlantic markets," stated Jeff Edwards, Chairman and Chief Executive Officer. "The commercial installation market is large and fragmented and is an important focus of our growth strategy. In addition to Royals Commercial, we also completed the acquisition of a Chicago based shower, shelving and mirror installer, with annual revenue of approximately \$1.1 million. Commercial end markets represented approximately 18% of our total revenue in 2019 and we believe we are well positioned to increase our exposure within this compelling market through organic and acquisition growth opportunities."
