ARTICLE I

STOCKHOLDERS

Section 1.01 Annual Meetings. An annual meeting of the stockholders of Installed Building Products, Inc. (the “**Corporation**”) for the election of directors and for the transaction of such other business as properly may come before such meeting shall be held at such date and time as may be fixed from time to time by resolution of the board of directors of the Corporation (the “**Board of Directors**”) and set forth in the notice, or waiver of notice, of such meeting.

Section 1.02 Special Meetings. Special meetings of stockholders of the Corporation may be called only by a resolution duly adopted by the Board of Directors. The Board of Directors may cancel, postpone or reschedule any previously scheduled special meeting at any time, before or after the notice for such meeting has been sent to the stockholders. Only such business shall be considered at a special meeting of stockholders as shall have been stated in the notice for such meeting.

Section 1.03 Notice of Stockholder Business and Nominations.

(a) *Annual Meetings of Stockholders*.

(i) Subject to the provisions of ARTICLE II of these Bylaws, nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders only (A) pursuant to the Corporation’s notice of meeting (or any supplement thereto), (B) by or at the direction of the Board of Directors or any committee thereof or (C) by any stockholder of the Corporation who was a stockholder of record of the Corporation at the time the notice provided for in this Section 1.03 is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 1.03.

(ii) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (C) of paragraph (a)(i) of this Section 1.03, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and any such proposed business other than the nominations of persons for election to the Board of Directors must constitute a proper matter for stockholder action. To be timely, a stockholder’s notice shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year’s annual meeting; *provided, however*, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder’s notice as described above. Such stockholder’s notice shall set forth: (A) as to each person whom the stockholder proposes to nominate for election as a director: (1) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required,

in each case, pursuant to and in accordance with Regulation 14A under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and (2) such person’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Corporation, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (1) the name and address of such stockholder, as they appear on the Corporation’s books, and of such beneficial owner, (2) the class and number of shares of capital stock of the Corporation that are owned beneficially and of record by such stockholder and such beneficial owner, (3) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination and (4) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group that intends (x) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation’s outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (y) otherwise to solicit proxies from stockholders in support of such proposal or nomination. The foregoing notice requirements of this Section 1.03 shall be deemed satisfied by a stockholder if the stockholder has notified the Corporation of his, her or its intention to present a proposal or nomination at an annual meeting in compliance with applicable rules and regulations promulgated under the Exchange Act and such stockholder’s proposal or nomination has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(iii) Notwithstanding anything in the second sentence of paragraph (a)(ii) of this Section 1.03 to the contrary, in the event that the number of directors to be elected to the Board of Directors at an annual meeting is increased and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year’s annual meeting, a stockholder’s notice required by this Section 1.03 shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not later than the close of business on the tenth (10 th) day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Stockholders.* Subject to the provisions of ARTICLE II of these Bylaws, nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation’s notice of meeting (i) by or at the direction of the Board of Directors or any committee thereof or (ii) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 1.03 is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 1.03. Subject to the provisions of ARTICLE II of these

Bylaws, in the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (a)(ii) of this Section 1.03 shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(c) *General.*

(i) Only such persons who are nominated in accordance with the procedures set forth in this Section 1.03 or ARTICLE II of these Bylaws shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 1.03. Except as otherwise provided by law, the chairman of the meeting shall have the power and duty (A) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 1.03 or ARTICLE II (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies in support of such stockholder's nominee or proposal in compliance with such stockholder's representation as required by clause (a)(ii)(C)(4) of this Section 1.03) and (b) if any proposed nomination or business was not made or proposed in compliance with this Section 1.03, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 1.03, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 1.03, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(ii) For purposes of this Section 1.03, "public announcement" shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(iii) Notwithstanding the foregoing provisions of this Section 1.03, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations

thereunder with respect to the matters set forth in this Section 1.03. Nothing in this Section 1.03 shall be deemed to affect any rights (A) of stockholders to request inclusion of proposals or nominations in the Corporation's proxy statement pursuant to applicable rules and regulations promulgated under the Exchange Act or (B) of the holders of any series of preferred stock of the Corporation to elect directors pursuant to any applicable provisions of the certificate of incorporation of the Corporation, as may be amended from time to time (the "Charter").

Section 1.04 Place of Meetings. Meetings of the stockholders shall be held at such places, within or without the State of Delaware, or, within the sole discretion of the Board of Directors, by remote electronic communication technologies, as shall be specified in the respective notice, or waiver of notice, of such meeting. If no designation is made, the place of meeting shall be the principal executive office of the Corporation.

Section 1.05 Notice of Meetings. Whenever stockholders are required or permitted to take action at a meeting, written notice (which can be electronic) stating the place, if any, date, time and, in the case of special meetings, the purpose or purposes of such meeting shall be given to each stockholder entitled to vote at such meeting. Unless otherwise provided by law, the Charter or these Bylaws, the written notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears in the records of the Corporation.

Section 1.06 Stockholders List. The officer having charge of the stock ledger of the Corporation shall make, at least ten (10) days before every meeting of the stockholders, a complete list of the stockholders entitled to vote at such meeting arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of meeting, or (ii) during ordinary business hours at the principal place of business of the Corporation. The list of stockholders must also be open to examination at the meeting as required by applicable law. Except as otherwise provided by law, the stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list of stockholders required by this Section 1.06 or to vote in person or by proxy at any meeting of stockholders.

Section 1.07 Quorum. Except as otherwise required by law or by the Charter, the presence in person or by proxy of the holders of record representing a majority of the voting power entitled to vote at a meeting of stockholders shall constitute a quorum for the transaction of business at such meeting. If a quorum is not present, the chairman of the meeting may adjourn the meeting to another time and/or place in the manner provided by Section 1.08 until a quorum shall be so present or represented.

Section 1.08 Adjournment. Notice of any adjourned meeting of the stockholders of the Corporation need not be given if the place, if any, date and hour thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, are announced at the meeting at which the adjournment is taken; *provided, however*, that if the adjournment is for more than thirty

(30) days, or if after the adjournment a new record date for the adjourned meeting is fixed, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at such meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted on the original date of the meeting.

Section 1.09 Voting. If, pursuant to Section 5.05 of these Bylaws, a record date has been fixed, every holder of record of shares entitled to vote at a meeting of stockholders shall be entitled that number of votes as set forth in the Charter for each share outstanding in his or her name on the books of the Corporation at the close of business on such record date. If no record date has been fixed, then every holder of record of shares entitled to vote at a meeting of stockholders shall be entitled to that number of votes as set forth in the Charter for each share of stock standing in his or her name on the books of the Corporation at the close of business on the day next preceding the day on which notice of the meeting is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. Except as otherwise required by law or by the Charter or by these Bylaws, the vote of a majority of the shares represented in person or by proxy at any meeting at which a quorum is present shall be sufficient for the transaction of any business at such meeting.

Section 1.10 Voting by Ballot. No vote of the stockholders need be taken by written ballot, or by a ballot submitted by electronic transmission, unless otherwise required by law. Any vote that need not be taken by written ballot, or by a ballot submitted by electronic transmission, may be conducted in any manner approved by the meeting.

Section 1.11 Proxies. Any stockholder entitled to vote at any meeting of the stockholders or to express consent to or dissent from corporate action in writing without a meeting may authorize another person or persons to vote at any such meeting and express such consent or dissent for him or her by proxy. A stockholder may authorize a valid proxy by executing a written instrument signed by such stockholder, or by causing his or her signature to be affixed to such writing by any reasonable means including, but not limited to, by facsimile signature, or by transmitting or authorizing the transmission of a telegram, cablegram or other means of electronic transmission to the person designated as the holder of the proxy, a proxy solicitation firm or a like authorized agent. No such proxy shall be voted or acted upon after the expiration of three years from the date of such proxy, unless such proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person or by filing an instrument in writing revoking the proxy or by filing another duly executed proxy bearing a later date with the Secretary. Proxies by telegram, cablegram or other electronic transmission must either set forth or be submitted with information from which it can be determined that the telegram, cablegram or other electronic transmission was authorized by the stockholder. Any copy, facsimile telecommunication or other reliable reproduction of a writing or transmission created pursuant to this section may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

Section 1.12 No Action by Written Consent. Any action required or permitted to be taken by stockholders of the Corporation must be effected at a meeting of the stockholders of the

Corporation and may not be effected by written consent in lieu of a meeting.

Section 1.13 Organization; Procedure. At every meeting of stockholders, the Chairman (or, in the event of his or her absence or disability, the person whom the Board of Director designates, or, in the event of his or her absence or disability or the inability of the Board of Directors to designate a person, a presiding officer chosen by a majority of the stockholders present in person or by proxy) shall act as chairman of the meeting. The Secretary, or in the event of his or her absence or disability, an appointee of the chairman of the meeting, shall act as Secretary of the meeting. The order of business and all other matters of procedure at every meeting of stockholders may be determined by the chairman of the meeting.

Section 1.14 Inspectors of Election. The Corporation may, and shall if required by law, in advance of any meeting of stockholders, appoint one or more inspectors of election, who may be employees of the Corporation, to act at the meeting or any adjournment thereof and to make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath to execute faithfully the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors so appointed or designated shall (a) ascertain the number of shares of capital stock of the Corporation outstanding and the voting power of each such share, (b) determine the shares of capital stock of the Corporation represented at the meeting and the validity of proxies and ballots, (c) count all votes and ballots, (d) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors and (e) certify their determination of the number of shares of capital stock of the Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certification and report shall specify such other information as may be required by law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders of the Corporation, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.

Section 1.15 Conduct of Meetings. The Board of Directors may adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the person presiding over any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding person, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the presiding person of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) the determination of when the polls shall open and close for any given matter to be voted on at the meeting, (c) rules and procedures for maintaining order at the meeting and the safety of those present; (d) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the presiding person of the meeting shall determine; (e) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (f) limitations on the time allotted to questions or comments by participants. The presiding person at any meeting of

stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall, if the facts warrant, determine and declare to the meeting that a matter or business was not properly brought before the meeting and if such presiding person should so determine, such presiding person shall so declare to the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the Board of Directors or the person presiding over the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

ARTICLE II

BOARD OF DIRECTORS

Section 2.01 General Powers. The business and affairs of the Corporation shall be managed under the direction of the Board of Directors. The Board of Directors may exercise all such authority and powers of the Corporation and do all such lawful acts and things as are not by the General Corporation Law of the State of Delaware (the “DGCL”) or the Charter directed or required to be exercised or done by the stockholders. All matters shall be determined by the vote of a majority of the directors present at a duly convened meeting of the Board of Directors, except as otherwise provided by these Bylaws or required by the Charter or the DGCL.

Section 2.02 Number, Election and Term of Office. The number of directors which shall constitute the Board of Directors shall be fixed from time to time by resolution adopted by the affirmative vote of a majority of the total number of directors then in office. The directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote in the election of directors; provided that, whenever the holders of any class or series of capital stock of the Corporation are entitled to elect one or more directors pursuant to the provisions of the Charter (including, but not limited to, any duly authorized certificate of designation), such directors shall be elected by a plurality of the votes of such class or series present in person or represented by proxy at the meeting and entitled to vote in the election of such directors. Directors need not be stockholders to be qualified for election or service as a director of the Corporation.

Section 2.03 Resignations. Any director may resign at any time by submitting an electronic transmission or by delivering a written notice of resignation, signed by such director, to the Chairman or the Secretary. Unless otherwise specified therein, such resignation shall take effect at the time therein specified or, if no time is specified, immediately; and, unless otherwise specified in such notice, the acceptance of such resignation shall not be necessary to make it effective.

Section 2.04 Removal of Directors; Vacancies. Directors may be removed from office only for cause and, in addition to any vote required by law, the affirmative vote of the holders of at least a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in an election of directors, voting together as a single class, shall be required to effect such removal. Director vacancies may be filled as set forth in the Charter.

Section 2.05 Annual and Regular Meetings. The annual meeting of the Board of

Directors for the purpose of electing officers and for the transaction of such other business as may come before the meeting shall be held as soon as possible following adjournment of the annual meeting of the stockholders at the place of such annual meeting of the stockholders. Notice of such annual meeting of the Board of Directors need not be given. The Board of Directors from time to time may by resolution provide for the holding of regular meetings and fix the place (which may be within or without the State of Delaware) and the date and hour of such meetings. Notice of regular meetings need not be given.

Section 2.06 Special Meetings. Special meetings of the Board of Directors shall be held whenever called by the Chairman of the Board of Directors, any two directors or the Chief Executive Officer of the Corporation, at such place (within or without the State of Delaware), date and hour as may be specified in the respective notices or waivers of notice of such meetings. Special meetings of the Board of Directors may be called on twenty-four (24) hours' notice, if notice is given to each director personally or by telephone, telegram or electronic transmission, or on five (5) days' notice, if notice is mailed to each director, addressed to him or her at his or her usual place of business. Neither the business to be transacted at, nor the purpose of, any special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting. Notice of any special meeting need not be given to any director who attends such meeting without protesting the lack of notice to him or her, prior to or at the commencement of such meeting, or to any director who submits a signed waiver of notice, whether before or after such meeting, and any business may be transacted thereat.

Section 2.07 Quorum and Manner of Acting. A majority of the entire Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors and, except as otherwise expressly required by the DGCL or the Charter or these Bylaws, the act of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors. In the absence of a quorum at any meeting of the Board of Directors, a majority of the directors present thereat may adjourn such meeting to another time and place. Notice of the time and place of any such adjourned meeting shall be given to the directors unless such time and place were announced at the meeting at which the adjournment was taken, to the other directors. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the meeting as originally called. The directors shall act only as a Board of Directors and the individual directors shall have no power as such.

Section 2.08 Action Without a Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent, setting forth the action so taken, is signed by all the members of the Board of Directors or the committee, as the case may be, and such written consent shall have the same force and effect as a unanimous vote at a meeting of the Board of Directors. A telegram, telex, cablegram or other electronic transmission by a director consenting to an action to be taken and transmitted by a director is considered written, signed and dated for the purposes of this article if the transmission sets forth or is delivered with information from which the Corporation can determine that the transmission was transmitted by the director and the date on which the director transmitted the transmission.

Section 2.09 Action by Telephonic Communications. Members of the Board of Directors may participate in a meeting of the Board of Directors by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting

can hear one another, and participation in a meeting pursuant to this provision shall constitute presence in person at such meeting.

Section 2.10 Compensation. The amount, if any, which each Director shall be entitled to receive as compensation for his or her services as such shall be fixed from time to time by resolution of the Board of Directors. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary for service as director, payable in cash or securities of the Company. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for service as committee members.

Section 2.11 Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof that authorizes the contract or transaction, or solely because any such director's or officer's vote is counted for such purpose if: (a) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; (b) the material facts as to the director's or officer's relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (c) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee that authorizes the contract or transaction.

ARTICLE III

Except as otherwise provided by these Bylaws, in the absence of such rules each committee shall conduct its business in the same manner as the Board of Directors conducts its business pursuant to Article II of these Bylaws. Adequate provision shall be made for notice to members of all meetings; one third (1/3) of the members shall constitute a quorum unless the committee shall consist of one (1) or two (2) members, in which event one (1) member shall constitute a quorum; and all matters shall be determined by a majority vote of the members present. Action may be taken by any committee without a meeting if all members thereof consent thereto in writing or by electronic transmission, and the writing or writings or transmission or transmissions are filed with the minutes of the proceedings of the committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

The Board of Directors also may elect a President, one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers in such numbers as the Board of Directors may determine. Any number of offices may be held by the same person. No officer need be a director of the Corporation.

Section 4.02 Appointment of Officers. The Board shall appoint the officers of the

Corporation, subject to the rights, if any, of an officer under any contract of employment. The Board of Directors may appoint, or empower the Chief Executive Officer to appoint, such other subordinate officers and agents as the business of the Corporation may require. Each of such officers and agents shall hold office for such period, have such authority, and perform such duties as are provided in these bylaws or as the Board of Directors may from time to time determine.

Section 4.03 Salaries. The salaries of all officers and agents of the Corporation shall be fixed by the Board of Directors.

Any officer may resign at any time by delivering notice of resignation, either in writing signed by such officer or by electronic transmission, to the Board of Directors or the Chief Executive Officer. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise, shall be filled by the Board of Directors in accordance with Section 4.02 hereof.

Section 4.05 Authority and Duties of Officers. All officers of the Corporation shall respectively have such authority and perform such duties in the management of the business of the Corporation as may be designated from time to time by the Board of Directors or the stockholders and, to the extent not so provided, as generally pertain to their respective offices, subject to the control of the Board of Directors.

The authority granted herein may be exercised either by such person directly or by any other person authorized to do so by proxy or power of attorney duly executed by such person having the authority.

ARTICLE V

CAPITAL STOCK

Section 5.01 Form of Certificates. The stock of the Corporation may be either certificated, uncertificated or a combination thereof. The Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of the Corporation's stock may be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation (or the Corporation's transfer agent or registrar, as the case may be). Notwithstanding the adoption of such resolution by the Board of Directors, every holder of stock represented by certificates and, upon request to the Corporation or the Corporation's transfer agent or registrar, any holder of uncertificated shares, shall be entitled to have a certificate, in such form as shall be approved by the Board of Directors, certifying the number of shares of the Corporation owned by him, her or it. The certificates representing shares shall be signed in the name of the Corporation by the Chairman or Vice Chairman of the Board of Directors, or the President or a Vice President, and by the

Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary, and sealed with the seal of the Corporation (which seal may be a facsimile, engraved or printed); *provided, however,* that where any such certificate is countersigned by a transfer agent, or is registered by a registrar (other than the Corporation or one of its employees), the signatures of the Chairman, Vice Chairman, President, Vice President, Treasurer, Assistant Treasurer, Secretary or Assistant Secretary, as the case may be, upon such certificates may be facsimiles, engraved or printed. In case any officer who shall have signed any such certificate shall have ceased to be such officer before such certificate shall be issued, it may nevertheless be issued by the Corporation with the same effect as if such officer were still in office at the date of their issue. When the Corporation is authorized to issue shares of more than one class, there shall be set forth upon the face or back of the certificate (or the certificate shall have a statement that the Corporation will furnish to any stockholder upon request and without charge) a full statement of the designation, relative rights, preferences and limitations of the shares of each separate class, or of the different shares within each class, authorized to be issued and, if the Corporation is authorized to issue any class of preferred shares in series, the designation, relative rights, preferences and limitations of each such series so far as the same have been fixed and the authority of the Board of Directors to designate and fix the relative rights, preferences and limitations of other series.

Section 5.02 Lost, Destroyed or Mutilated Certificates. The holder of any certificate representing shares of the Corporation shall immediately notify the Corporation of any loss, destruction or mutilation of such certificate, and the Corporation may issue a new certificate (or uncertificated shares if the shares represented by such certificate have been designated as uncertificated shares in accordance with Section 5.01) in the place of any certificate theretofore issued by it which the owner thereof shall allege to have been lost or destroyed or which shall have been mutilated. The Board of Directors may, in its discretion, require such owner or his legal representatives to provide reasonable evidence of such loss, destruction or mutilation and to give to the Corporation a bond in such sum, limited or unlimited, and in such form and with such surety or sureties as the Board of Directors in its absolute discretion shall determine, to indemnify the Corporation and any transfer agent or registrar against any claim that may be made against it on account of the alleged loss or destruction of any such certificate, or the issuance of such new certificate (or uncertificated shares).

Section 5.03 Books of Account and Record of Stockholders. There shall be kept correct and complete books and records of account of all the business and transactions of the Corporation. There shall also be kept, at the office of the Corporation, or at the office of its transfer agent, a record containing the names and addresses of all stockholders of the Corporation, the number of shares held by each, and the dates when they became the holders of record thereof.

Section 5.04 Transfer of Stock. Except as otherwise established by rules and regulations adopted by the Board of Directors, and subject to applicable law, transfers of shares of the Corporation shall be made on the records of the Corporation: (a) in the case of shares represented by a certificate, by the surrender to the Corporation or its transfer agent of the certificate representing such shares properly endorsed or accompanied by a written assignment or power of attorney properly executed, and with such proof of authority or authenticity of signature as the Corporation or its transfer agent may reasonably require; and (b) in the case of uncertificated shares, upon the receipt of proper transfer instructions from the registered owner thereof and, in each case, after payment of all taxes thereon. The person in whose name shares

shall stand on the record of stockholders of the Corporation shall be deemed the owner thereof for all purposes as regards the Corporation. Whenever any transfer of shares shall be made for collateral security and not absolutely and written notice thereof shall be given to the Secretary or to a transfer agent, such fact shall be noted on the records of the Corporation.

Section 5.05 Record Date.

(a) The Board of Directors may fix, in advance, a date not more than sixty (60) nor less than ten (10) days before the date when fixed for the holding of any meeting of the stockholders or before the last day on which the consent or dissent of the stockholders may be effectively expressed for any purpose without a meeting, as the time as of which the stockholders entitled to notice of and to vote at such meeting or whose consent or dissent is required or may be expressed for any purpose, as the case may be, shall be determined, and all persons who were stockholders of record of voting shares at such time, and no others, shall be entitled to notice of and to vote at such meeting or to express their consent or dissent, as the case may be.

(b) The Board of Directors may fix, in advance, a date not more than sixty (60) nor less than ten (10) days preceding the date fixed for the payment of any dividend or the making of any distribution or the allotment of rights to subscribe for securities of the Corporation, or for the delivery of evidences of rights or evidences of interests arising out of any change, conversion or exchange of shares or other securities, as the record date for the determination of the stockholders entitled to receive any such dividend, distribution, allotment, rights or interests, and in such case only the stockholders of record at the time so fixed shall be entitled to receive such dividend, distribution, allotment, rights or interests. If no such record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the applicable resolution.

(c) Unless otherwise prohibited by the Charter, in order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of the stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by applicable law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 5.06 Transfer Agent and Registrar. The Board of Directors may appoint one or more transfer agents and one or more registrars, and may require all certificates representing shares to bear the signature of any such transfer agents or registrars.

Section 5.07 Regulations. The Board of Directors may make such additional rules and regulations, not inconsistent with these Bylaws, as it may deem expedient concerning the issue, transfer and registration of certificates for shares of the Corporation.

ARTICLE VI

INDEMNIFICATION

Section 6.01 Indemnification of Directors and Officers. In the event a person (a “Covered Person”) was, is or becomes a party to or witness or other participant in, or is threatened to be made a party to or witness or other participant in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, the Corporation shall indemnify such person to the fullest extent permitted by law against any and all expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such Covered Person in connection with such action, suit or proceeding. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith and in a manner which such Covered Person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person’s conduct was unlawful. Notwithstanding the preceding sentence, except as otherwise provided in Section 6.02, the Corporation shall be required to indemnify a Covered Person in connection with a proceeding (or part thereof) commenced by such Covered Person only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board of Directors.

Section 6.02 Procedure for Indemnification of Directors. Any indemnification of a Covered Person of the Corporation under Section 6.01 or advancement of expenses under Section 6.03 shall be made promptly, and in any event within thirty (30) days, upon the written request of the Covered Person. If a determination by the Corporation that the Covered Person is entitled to indemnification or advancement pursuant to this Article VI is required, and the Corporation fails to respond within sixty (60) days to a written request for indemnity or advancement, the Corporation shall be deemed to have approved the request. If the Corporation denies a written request for indemnification or advancing of expenses, in whole or in part, or if payment in full pursuant to such request is not made within thirty (30) days, the right to indemnification or advances as granted by this Article VI shall be enforceable by the Covered Person in any court of competent jurisdiction. Such Covered Person’s costs and expenses incurred in connection with successfully establishing his or her right to indemnification or advancement of expenses, in whole or in part, in any such action shall also be indemnified by the Corporation. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of such defense shall be on the

Corporation. Neither the failure of the Corporation (including the Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including the Board of Directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 6.03 Expenses Payable in Advance. Expenses (including attorneys' fees) incurred by a Covered Person in defending any civil, criminal, administrative or investigative action, suit or proceeding shall, to the extent permitted by law, be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Covered Person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article VI. Such expenses (including attorneys' fees) incurred by Covered Persons who are former directors or officers may be so paid upon such terms and conditions, if any, as the Corporation deems appropriate.

Section 6.04 Nonexclusivity of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VI shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Charter, these Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such Covered Person's official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of Covered Persons shall be made to the fullest extent permitted by law. The provisions of this Article VI shall not be deemed to preclude the indemnification of any person who is not specified in Section 6.01 but whom the Corporation has the power or obligation to indemnify under the provisions of the DGCL, or otherwise.

Section 6.05 Insurance. The Corporation may purchase or maintain insurance on behalf of any Covered Person against any liability asserted against him or her and incurred by him or her in such a capacity or arising out of his or her status as a Covered Person, whether or not the Corporation would have the power to indemnify him or her against the liability under the DGCL or these Bylaws; *provided, however*, that if the insurance or other arrangement is with a person or entity that is not regularly engaged in the business of providing insurance coverage, the insurance or arrangement may provide for payment of a liability with respect to which the Corporation would not have the power to indemnify the person only if including coverage for the additional liability has been approved by the stockholders of the Corporation. Without limiting the power of the Corporation to procure or maintain any kind of insurance or arrangement, the Corporation may, for the benefit of persons indemnified by the Corporation, (a) create a trust fund, (b) establish any form of self-insurance, (c) secure its indemnification obligation by grant of any security interest or other lien on the assets of the Corporation or (d) establish a letter of credit, guaranty or surety arrangement. Any such insurance or other arrangement may be procured, maintained or established within the Corporation or its affiliates or with any insurer or other person deemed appropriate by the Board of Directors regardless of whether all or part of the stock or other securities thereof are owned in whole or in part by the Corporation. In the

absence of fraud, the judgment of the Board of Directors as to the terms and conditions of such insurance or other arrangement and the identity of the insurer or other person participating in an arrangement shall be conclusive, and the insurance or arrangement shall not be voidable and shall not subject the directors approving the insurance or arrangement to liability, on any ground, regardless of whether directors participating in approving such insurance or other arrangement shall be beneficiaries thereof.

Section 6.06 Certain Definitions. For purposes of this Article VI, references to “the Corporation” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors and officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VI with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued. For purposes of this Article VI, references to “fines” shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to “serving at the request of the Corporation” shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director or officer with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the Corporation” as referred to in this Article VI.

Section 6.07 Survival of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VI shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 6.08 Other Indemnification and Advancement of Expenses. The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to the advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article VI to Covered Persons. This Article VI shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and advance expenses to persons other than Covered Persons and employees and agents of the Corporation when and as authorized by appropriate corporate action.

Section 6.09 Amendment or Repeal. Any right to indemnification or to advancement of expenses of any Covered Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of these Bylaws after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative, action, suit or proceeding for which indemnification or advancement of expenses is sought.

Section 6.10 Contract Rights. The provisions of this Article VI shall be deemed to be a contract right between the Corporation and each Covered Person who serves in any such capacity at any time while this Article VI and the relevant provisions of the DGCL or other applicable law

are in effect, and any repeal or modification of this Article VI or any such law shall not affect any rights or obligations then existing with respect to any state of facts or proceeding then existing.

Section 6.11 Other Sources. The Corporation's obligation, if any, to indemnify or advance expenses to any Covered Person, or any officer, employee or agent of the Corporation pursuant to Section 6.08 who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any such amount such Covered Person or such officer, employee or agent of the Corporation may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or nonprofit enterprise.

ARTICLE VII

OFFICES

Section 7.01 Registered Office. The registered office of the Corporation in the State of Delaware shall be located at the Corporation Trust Company, 1209 Orange Street, Wilmington, New Castle County, Delaware 19801.

Section 7.02 Other Offices. The Corporation may maintain offices or places of business at such other locations within or without the State of Delaware as the Board of Directors may from time to time determine or as the business of the Corporation may require.

ARTICLE VIII

NOTICES

Section 8.01 Notices. Whenever written notice is required by the DGCL, the Charter or these Bylaws, to be given to any director, member of a committee or stockholder, such notice may be given by mail, addressed to such director, member of a committee or stockholder, at such person's address as it appears on the records of the Corporation, with postage thereon prepaid, and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Without limiting the manner by which notice otherwise may be given effectively to stockholders, and except as prohibited by applicable law, any notice to stockholders given by the Corporation under any provision of applicable law, the Charter or these Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. Any such consent shall be revocable by the stockholder by written notice to the Corporation. Any stockholder who fails to object in writing to the Corporation, within sixty (60) days of having been given written notice by the Corporation of its intention to send the single notice permitted under this Section 8.01, shall be deemed to have consented to receiving such single written notice. Subject to the requirements of applicable law, written notice may also be given personally or by e-mail, facsimile, telegram or other means of electronic transmission.

Section 8.02 Waivers of Notice. Whenever any notice is required by applicable law, the Charter or these Bylaws, to be given to any director, member of a committee or stockholder, a waiver thereof in writing, signed by the person or persons entitled to notice, or a waiver by

electronic transmission by the person or persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting, present in person or represented by proxy, shall constitute a waiver of notice of such meeting, except where the person attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any annual or special meeting of stockholders or any regular or special meeting of the directors or members of a committee of directors need be specified in any written waiver of notice unless so required by the DGCL, the Charter or these Bylaws.

ARTICLE IX

No loan shall be contracted on behalf of the Corporation, and no evidence of indebtedness shall be issued in its name, unless authorized by the Board of Directors or such officers as may be authorized by the Board of Directors. Such authorization may be general or confined to specific instances. Loans so authorized may be effected at any time for the Corporation from any bank, trust company or other institution, or from any firm, corporation or individual. All bonds, debentures, notes and other obligations or evidences of indebtedness of the Corporation issued for such loans shall be made, executed and delivered as the Board of Directors or the Chief Executive Officer shall authorize. When so authorized by the Board of Directors or the Chief Executive Officer, any part of or all the properties, including contract rights, assets, business or good will of the Corporation, whether then owned or thereafter acquired, may be mortgaged, pledged, hypothecated or conveyed or assigned in trust as security for the payment of such bonds, debentures, notes and other obligations or evidences of indebtedness of the Corporation, and of the interest thereon, by instruments executed and delivered in the name of the Corporation.

The affirmative vote of at least a majority of the entire Board of Directors shall be required to adopt, amend or repeal the Bylaws. The fact that the power to adopt, amend, alter or repeal these Bylaws has been conferred upon the Board of Directors shall not divest the stockholders of the same powers. Notwithstanding any other provision of the Charter or these Bylaws, and notwithstanding the fact that a lesser percentage or separate class vote may be specified by law, the Charter, these Bylaws or otherwise, but in addition to any affirmative vote of the holders of any particular class or series of the capital stock required by law, the Charter, these Bylaws or otherwise, the affirmative vote of the holders of at least a majority of the voting power of all outstanding shares of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to adopt, amend or repeal these Bylaws.
