

Installed Building Products Announces Plans for New Term Loan Facility

November 30, 2021

COLUMBUS, Ohio,--(BUSINESS WIRE)--Nov. 30, 2021-- Installed Building Products, Inc. (the "Company") (NYSE: IBP), an industry-leading installer of insulation and complementary building products, announced today that the Company is seeking to raise a new 7-year \$500 million Term Loan (the "New Term Loan") due 2028. Net proceeds of the New Term Loan will be used to refinance its existing \$200 million Term Loan B facility due April 2025 as well as for acquisitions, other growth initiatives and general corporate purposes.

The terms of any New Term Loan will be disclosed upon the completion of the transaction, which is expected to be announced by the end of December 2021. This proposed new facility is subject to market and other conditions, and there can be no assurance that it will be completed on the terms described above, or at all.

The lender's presentation will be posted on Wednesday, December 1, on the investor relations section on the Company's website.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the federal securities laws, including with respect to the timing, terms and completion of the new proposed term loan, the housing market and the commercial market, our financial and business model, the demand for our services and product offerings, expansion of our national footprint and end markets, diversification of our products, our ability to grow and strengthen our market position, our ability to pursue and integrate value-enhancing acquisitions, our ability to improve sales and profitability, and expectations for demand for our services and our earnings in 2021. Forward-looking statements may generally be identified by the use of words such as "anticipate," "believe," "expect," "intends," "plan," and "will" or, in each case, their negative, or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Any forward-looking statements that we make herein and in any future reports and statements are not guarantees of future performance, and actual results may differ materially from those expressed in or suggested by such forward-looking statements as a result of various factors, including, without limitation, the duration, effect and severity of the COVID-19 crisis; the adverse impact of the COVID-19 crisis on our business and financial results, our supply chain, the economy and the markets we serve; general economic and industry conditions, the material price and supply environment; the timing of increases in our selling prices, and the factors discussed in the "Risk Factors" section of the Company's Annual Report on Form 10-K for the year ended December 31, 2020, as the same may be updated from time to time in our subsequent filings with the Securities and Exchange Commission. Any forward-looking statement made by the Company in this press release speaks only as of the date hereof. New risks and uncertainties arise from time to time, and it is impossible for the Company to predict these events or how they may affect it. The Company has no obligation, and does not intend, to update any forward-looking statements after the date hereof, except as required by federal securities laws.
